*"Fix these words of mine in your hearts and minds;
tie them as symbols on your hands and bind them
on your foreheads. Teach them to your children,
talking about them when you sit at home and when
you walk along the road, when you lie down and
when you get up..."*

Deuteronomy 11:18-19

MISSION STATEMENT

Cornerstone Life Academy is a Christ-centered life program seeking to partner with parents in the training and education of their children. CLA offers a strong academic program and instills in students the knowledge of God, equipping them to follow Jesus Christ in life.

PRESCHOOL PROGRAM

Our program provides activities in a fun and flexible environment to help in the development of the child's physical, emotional, mental, social and spiritual self. We seek to teach our preschoolers social readiness skills including personal management and daily routine. We also guide our children in the development of self-expression and problem solving. Most importantly, our staff helps the children feel God's love by aiding in their spiritual growth through the teaching of God's Word.

To ensure academic success with a strong biblical philosophy, the administration has prayerfully selected Abeka Book Publications as the core of our curriculum for our 2-year and 3-year-old classes. We will use BJU Press in our 4-year-old classes, with Abeka supplemented.

Preschool 2's – Bright, eye catching books and materials are used for language development and listening skills to include color words, shapes, animals, transportation, health, safety, manners and science. Pre-math skills of counting to 25 and number concepts to 10 are taught through a variety of games and activities. Socialization is a key component of this age group. Self-help skills and potty training are a special focus.

K-3's – Children learn the name, sound and formation of short vowels and consonants. Math skills of counting to 30 and number concepts to 15 are taught through games and activities. Bible, scripture memory, singing, colors, shapes, following directions, listening skills, health, safety, manners, community helpers and science are an integral part of the curriculum.

K-4's – Children focus on phonics, sounds, blends and words; beginning reading skills are taught. Poetry and finger play for enjoyment and memorization are incorporated. Writing: manuscript printing of letters and writing of first name. Numbers: recognition and counting to 100; concepts, before and after numbers, largest and smallest to 20. Our curriculum consists of Bible lessons, scripture memory, art, music, science, social living, and many other fun activities.

*“Train up a child in the way he should go,
And when he is old, he will not depart from it.”*

Proverbs 22:6
